

# White Card

## Construction Industry – Safety Induction Course

### Get your White Card on the day of training! \*

There is no need to wait up to two weeks to receive your actual White Card. Upon successful completion at NEVC, we will take your ID photo and you will be able to take your White Card home with you on the day of training!

### Course Overview

The Construction Industry Safety Induction Course (White Card) is designed to provide participants with knowledge of the WHS principles and practices used on Construction sites.

Upon successful completion of this program, participants will have the necessary knowledge required to gain entry and work safely on construction sites in Australia.
